City of Eau Claire Homeowner:

Eau Claire Fire & Rescue is excited to announce that homeowners within the city limits of Eau Claire are eligible for **free smoke & carbon monoxide (CO) alarms** installed by our City of Eau Claire firefighters. Consistent with the 2018 Fire Prevention Week motto, “LOOK, LISTEN, & LEARN, be aware, fire can happen anywhere,” we are strongly encouraging residents to have at least one smoke alarm on every level of their home AND one in each bedroom. Even if you currently have smoke alarms in your home, remember that they expire after 10 years and need to be replaced. Please check the manufacture date on the back of your alarms to make sure they are not expired.
