# Instructions

How to navigate Eau Claire Parks, Recreation & Forestry's  
Community and Neighborhood Park Pages.

## Instructions:

- Choose a park from the map by clicking on the number of the park or by clicking the name of the park from the list of community and neighborhood pavilions on the following pages to navigate to that specific Park Page. You can also discover new parks by scrolling through all of the pages as they are in alphabetical order.
- On every individual Park Page there is a map in the lower right corner. By clicking on this map it will pull up the park's location on Google Maps where you can get directions.
