ART CLASSES

ADVENTURES OPEN STUDIO

Welcome to Boyd Park Summer Art Studio! In this 4-week long studio experience, young artists will determine the structure of the class. We will start day one by conferencing as a group and making sketchbooks to store our ideas and discoveries. Each day students will come to class and welcomed by an assortment of art media to meet the needs of all artists. This class will focus on exploration and process with less emphasis on a final product.

ANIMAL ADVENTURES

Young artists will have a wildly good time creating original works of art featuring their favorite animals, while exploring various art media. Projects may include, but are not limited to, drawings, painting, collage, sculpture, and more

CRAY-CRAY FOR CLAY

Artists will learn and practice hand-building skills to design creative 3D works of art using air-dry clay and Sculpey polymer clay. Projects are taught to allow exploration and individuality so students may create what they want. All work will be painted and sealed before going home.

UNDER THE SEA

Come explore the seven seas in this water themed class. You'll make 3D sculpture of sea creatures, design an underwater oasis or a lost kingdom, create fun, moveable fish, and more.

PAINT, PRINT, AND DYE

A summer classic with wonderful new projects! Students will complete a canvas painting, experiment with watercolor techniques, and explore the world of printmaking. We will also experiment with Sharpie tie dying! Don't forget to bring 2 100% cotton t-shirts or similarly sized items (please prewash for best results).

WALK LIKE AN EGYPTIAN

Take a step back into ancient times. Artists use Egyptian hieroglyphics to create a secret message in a scroll, explore the mysteries of ancient Mayan temples, and dive into the world of ancient Greek art. Time machine not required.

INSURANCE

Parks and Recreation does not provide accident or hospital insurance for people participating in sponsored activities. All participants should review their personal insurance policies for coverage.

AGE REQUIREMENTS

For all youth programs the age will be as of the first day of the program. Parents, please, do not ask to have your child put in a class he/she does not belong in. All age requirements are set to benefit the children and to make instruction easier for the program leader. In some instances, age requirements have been set for your child's safety. Thank you for your cooperation.

WE LOVE PARENTS

But... with your child's best interest in mind, parents are invited to attend their child's midterm and last class meeting only (instructional programs). Our instructors have found that the quality of instruction is affected by parent and/or sibling distractions and interruptions. We feel it is most beneficial for your child to have recreational time with his/her peers. Instructors welcome the opportunity to discuss participants' progress with parents.

NON-CITY RESIDENT POLICY

Recreation programs and activities that are not part of summer school offerings are supported by City property taxes. Non-City residents will be required to pay their "fair share" to support activities. The program fee for non-residents will be double the resident fee or an additional \$10, whichever is less. A non-resident is considered anyone who lives outside of the City limits (ie; township/county). Unfortunately, our registration software cannot always decipher if addresses are located within the Eau Claire City limits. For this reason, all participant addresses are reviewed during each season. Invoices will be sent to non-residents that pay the resident fee. Residency can be checked at <http://eauclairecitywi.wgxtreme.com/>.

YOUTH SCHOLARSHIP PROGRAM

Eau Claire Parks and Recreation offers a Scholarship Program for families experiencing low-income who reside within the city limits of Eau Claire. Scholarships apply to youth programs and youth/family pool passes only. Our Scholarship Program is made possible by the generosity of area businesses and community members. Any resident living within the City of Eau Claire boundaries currently receiving Federal, State, or Local assistance are eligible. For more information on guidelines and application process, or if you would like to donate to our scholarship fund, please contact the Recreation Office at (715) 839-5032.

AMERICANS WITH DISABILITIES ACT

Eau Claire Parks and Recreation intends to comply with the intent and spirit of the Americans with Disabilities Act (ADA). If you need any special accommodations, please call the Recreation Office (715) 839-5032 so that the necessary arrangements can be made. If you have concerns regarding our compliance with the ADA contact the City of Eau Claire's ADA Coordinator at (715) 839-4921. TDD phone call (715) 839-4972.
