PUBLIC NOTICE

PLEASE TAKE NOTICE that Eau Claire City Council Members have been invited and may attend the Eau Claire Area Chamber of Commerce Virtual Town Hall: Health Ordinances on Friday, September 25, 2020, beginning at 10 a.m.

From the Chamber:

“In October, the Eau Claire City Council and Eau Claire County Board will consider proposed ordinances that officials say are intended to clarify the authority of local health officials, as well as provide for public input and legislative oversight.

At this Town Hall, representatives of Eau Claire County, the City of Eau Claire, and the City-County Health Department will explain the proposed ordinances and answer questions. We've convened this event so Chamber investors can get a full understanding of the content and implications of these proposed measures before the City Council and County Board take action.”

This notice is given pursuant to the provisions of Subchapter V of Chapter 19 of the Wisconsin Statutes.
