LABORATORY TECHNICIAN

Are you looking for an opportunity to make a concrete and positive impact on the environment? While working with a small dedicated team? Then we have the job for you!

We are currently accepting applications for a Laboratory Technician at our Wastewater Treatment Plant. This position is responsible for the technical analysis of wastewater as a matter of control in the operation of the plant. Duties include: preparing and standardizing necessary reagents; evaluating laboratory results and making recommendations to supervisors; cleaning and maintaining testing apparatus utensils and laboratory equipment; and more!

What are we looking for?

Required:

- High School Diploma or equivalent (GED, etc.)
- State of Wisconsin DNR Wastewater Operator Certification in Laboratory subclass within 1 year of hire

Preferred:

- Associate's Degree in Water Resources or related field
- Working knowledge of acceptable chemical analysis methods
- Knowledge and experience with quantitative and qualitative analysis
- Knowledge and experience with standard wastewater treatment methods
- Skill and ability to use laboratory equipment and supplies

Why should you apply?

- Wage Range: \$24.64 - 28.71 per hour
- Opportunity to serve your community
- Positively impact the environment
- Excellent Fringe Benefits (including health insurance, vacation time, sick leave, etc.)

Work Schedule?

Typically Monday - Friday, 7:00 a.m. - 3:30 p.m. with some weekends and overtime required
