Engineering Department

City Wide Local Vehicle Registration Fee Street Improvements 2025-10: Second Avenue, W. Grand Avenue to 1,790 Feet North

PROJECT OVERVIEW

Current Date: June 2, 2025

Construction on: Second Avenue, from W. Grand Avenue to 1,790 feet north (550 feet north of Fulton St.)

Tentative start date: Concrete repairs are scheduled to begin Monday, June 9th, with milling of the asphalt surface scheduled for Tuesday, June 16th.

Proposed Work: Concrete curb and gutter repairs, pedestrian ramp replacement, milling asphalt pavement, new asphalt surface, pavement markings, and restoration of disturbed areas.

Contractor: Monarch Paving

Project Engineer: Cody Thiede

The contractor for this project will have various sub-contractors working for them throughout project completion.

For additional information about this project, please call the Engineering Department at 715-839-4934. We look forward to working with you while we improve this street.

ACCESS

Second Avenue will remain open to traffic during construction, with possible lane restrictions or one-way traffic.

There may be times when construction equipment and activities delay access to the street or your property. Please be patient and drive carefully during this work.

PROJECT COMPLETION

Anticipated Completion Date:

Wednesday, June 19, 2025
