

Dear Youth T-ball League Families,

Welcome to the 2025 Eau Claire Parks and Recreation Summer Season! My name is Emmanuel Boamah and I am the program supervisor who will oversee the youth T-ball league. If there is ever a question about the cancellation of a program due to inclement weather, please call (715) 839-5032 for more information.

This letter is an informational item to let you know what is expected and what you can anticipate throughout the summer. Included with this letter is the schedule. A coach should be calling you this week to let you know your child's team name. First, have your child at the designated field a couple minutes early as our games will start promptly at the scheduled time. Second, make sure that your child has all of their equipment needed to participate. Generally, this will include a glove, hat, and a filled water bottle. Our picture day is **Monday, July 9th**. Please arrive 20 minutes early for pictures prior to practice.

The format for the League will consist of 1 hr games, getting in as many innings as possible. The exception to this will be the first 3 days when the players will be engaged in basic fundamental skill practice to help the coaching staff become familiar with them.

Again, if you have any questions or concerns about the program feel free to contact me at (715) 839-5032 or email at emmanuel.boamah@eauclairewi.gov. We will be updating this link with schedules and the rules. [Youth Leagues | City of Eau Claire, Wisconsin \(eauclairewi.gov\)](#). Thank you and we hope that your child is as excited as we are about the program!

Sincerely,

Emmanuel Boamah
Program Supervisor
