Engineering Department

2026-10: City Wide Local Vehicle Registration Fee Street Improvements

Ninth Street, Platt Street to Vine Street

PROJECT OVERVIEW

Current Date: May 6, 2026

Construction: Ninth Street, Platt Street to Vine Street

Tentative Start Date: Concrete repairs are scheduled to begin Tuesday, May 12, 2026, with milling of the asphalt surface to begin Tuesday, June 2, 2026. Asphalt surface will be done on Thursday, June 4, 2026. These dates are weather dependent.

Anticipated Completion Date: Friday, June 5, 2026

Proposed Work: The City will be improving the surface of the street as part of a maintenance project. Work will include a new concrete bus pad at 9th/Vine, milling asphalt pavement, new asphalt surface, pavement markings, and restoration of disturbed areas.

Contractor: Monarch Paving

Project Engineer: Cody Thiede

The contractor for this project will have various sub-contractors working for them throughout project completion.

ACCESS

Ninth Street will remain open to traffic during construction, with possible lane restrictions or one-way traffic.

There may be times when construction equipment and activities delay access to the street or your property. Please be patient and drive carefully during this work.

For additional information about this project, please call the Engineering Department at 715-839-4934 or email engineering@eauclairewi.gov. We look forward to working with you while we improve the street.
